

TRANSFORMERS.
It's What We Do

PRODUCTS

DRY TYPE TRANSFORMERS

- **Low Voltage**
 - 0.05 KVA to 1000 KVA
 - Up to 600V
 - Single-phase and three-phase
 - General purpose, drive isolation, autotransformers, buck-boost, and more
 - New units *IN STOCK* up to 770 KVA
 - Custom-built units with quick lead times

- **Medium Voltage**
 - 1 KVA to 10000 KVA
 - Up to 34.5kV
 - Single-phase and three-phase
 - Remanufactured and reconditioned units *IN STOCK* up to 2500 KVA

OIL FILLED TRANSFORMERS

- **Pad Mounted**
 - 25 KVA to 7500 KVA
 - Up to 46kV
 - Single-phase and three phase
 - New, remanufactured, and reconditioned units *IN STOCK* up to 2500 KVA

- **Substation**
 - 500 KVA to 300 MVA
 - Up to 230kV
 - Custom-built units available
 - Good lead times

- **Pole Mounted**
 - 10 KVA to 333 KVA
 - Up to 34.5kV
 - Standard lead time for reconditioned units is 2-3 weeks
 - Many stock units can ship within 48 hrs

OTHER PRODUCTS

- **Medium Voltage Switchgear**
- **Phase Converters**
- **Transformer Components**

SERVICES

REPAIR

- **Dry Type Transformers**
- **Pad Mounted Transformers**
- **Substation Transformers**
- **Pole Mounted Transformers**
 - Up to 5000 KVA
 - Up to 34.5 kV
- **Other Coil-Based Equipment**
 - Reactors
 - Rectifiers
 - And more

OTHER SERVICES

- **Transformer Testing**
- **Transformer Reconditioning**
- **Oil Sampling and Lab Analysis**
